DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 7/30/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

While the claims have been amended, the response does not present arguments in support of the amendments which point out the specific distinctions believed to render the claims patentable over the references. See MPEP 714.02 and 37 CFR 1.111(b).

Also the amendment is non-compliant with respect to 37 CFR 1.121 because claims 2 (old 15) and 3 (old 16) include the wrong status identifiers. Claims 2 (old 15) and 3 (old 16) are not withdrawn. In addition, the copy of the text of claims 2 (old 15) and 3 (old 16) does not correspond with the text of claims submitted in the preliminary amendment filed 12/31/2003.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to William H. Beisner at telephone number 571-272-1269.
